

Summer Internship Program

Internship positions and application forms for Summer 2012 will be posted in January 2012

SiCa Student Internships in Arts Administration provide invaluable experience to Stanford students interested in pursuing careers as arts professionals. Arts Administration Internships give students an opportunity to step outside the classroom and build a set of skills applicable in their careers as artists, administrators, and future leaders.

Internships last approximately nine weeks and are full-time positions of at least 35 hours per week. Students will receive a \$4,000 stipend for the summer, plus financial aid if needed.
